History of the North Kamloops Royal Purple

We, as members of North Kamloops Royal Purple, take an active part in serving our community, contributing to its betterment and welfare, with special regard for children and senior citizens.

All the Ladies of the Royal Purple are Volunteers who have learned to participate in activities that suit **THEIR** TIME and ENERGY. Our strength lies in each other and in our National and Provincial structures.

Nationally the Royal Purple has been in existence for over 90 years. This structure encourages and supports the local Lodges. Each Lodge, although responsible to the National Constitution, has the opportunity to identify the needs of their respective communities and direct their efforts towards addressing those requirements.

North Kamloops Royal Purple is proud of its ties to the city of Kamloops. Our membership has been active within the community of Kamloops for approximately 45 years. We are now looking to a future of addressing the ever-changing needs of the people of Kamloops, while at the same time maintaining a social and fraternal outlet for our members.

Thoughts of You

Both a **volunteer** and an **organization** have something of value to offer each other. The volunteer has skills, abilities, intelligence, experience, knowledge, time and energy available. The organization can provide opportunities for personal challenge, learning and growth and at the same time the chance to make a valuable contribution to a community.

If the **“volunteer - organization”** partnership is to be successful; both parties must receive what they need from each other.

We have Charities that depend on us for financial help. We need more ladies to join us in **fun and fellowship** while together we meet our **community needs!**
